Heart of America Chapter of the Oldsmobile Club of America

Volume X, Number 2, Issue 152

March/April 2008

President's Message

Hello again! Warm weather is just around the corner. Time for cruise nights and car shows! We have a full schedule for the club events plus wherever else you find to drive your rocket.

In the rearview mirror...

We had our potluck that was really catered BBQ. Boy was it good! The pulled pork was a real hit and I will have to order more of it in the future. We voted to have Dave Utermoehlen be the new membership chairman. Thanks Dave for stepping up! We covered the events up to mid year and we will have more meetings to cover the events as the year progresses.

In the high beams...

We have the Spring Dust-off on April 26th. Let's have a big turn out for a day of friends, food and Oldsmobiles! Paul Broome will be grilling some burgers and dogs for us. The Cadillac club has decided to do their own event so they will not be joining us this year.

We also have our first cruise for the club at Johnny Rays Drive-In in Lee's Summit. It usually starts around 5 and runs until dark. They have great burgers and shakes. Come out and show the other car owners some fine rocket rides!

We are planning our BOPC picnic for June 29th at the same shelter house in Belton. If anyone has a grill that they can bring and help cook, it would be great to not have to have one person hauling and providing all the hardware. We will have reminders as this gets closer.

That covers it for this time. Check the calendar on the back for the dates of upcoming events. Until then...

Happy Oldsmobiling!
Keith

Treasurer's Report

Not much to report. The cost of the BBQ dinner was \$280. Food sure was good. If you couldn't come, you missed out. Keith or I will talk to Paul Broome to see if he can help our club this year. More later on this subject. I have put a \$75 deposit down on the shelter house for the club picnic on June 29th.

Here is a thought for today:

"How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and strong. Because someday in your life, you will have been all of these."

-- George Washington Carver

Treasurer
Virginia Goosey

Corresponding Secretary

I talked to Randy Calegari's wife Debbie recently and found out that Randy had a hurt foot and she has had several back surgeries, so I sent them a card to let them know we care. No more bad luck we hope. Our vice-president, Dale Bainter, has been a little under the weather so I took a card to our BBQ dinner to let everyone sign it. We all hope you are feeling great real soon Dale.

Remember to let me know if you know anyone who could use a little cheering up. We do care.

Corresponding Secretary
Virginia Goosey

Membership Report

I am happy to report that we are in compliance with OCA for 2007-08 with 100%. I know you may dread those calls from me, but it pays off. Thanks to everyone for helping our club. It has helped make my job easier and has made my day for the last fourteen years when I receive the roster back I turned in and we have 100%.

If you missed the Christmas party, Madelon Kadlic was voted into the membership office, but she felt she couldn't handle the job along with her job and activities, so I have done membership again.

At our BBQ dinner on March 9, David Utermoehler was voted into membership chairperson. David and I will be working closely and David will be ready for the 2009 membership roster. As in the past, you will continue to mail your checks and renewal applications to me. I will send the forms on to David. More about membership as time goes by. Watch for a renewal application and envelope to return your application and check in, in the Nov/Dec newsletter. Thanks again for all your help the last fourteen years.

As usual, I am there for you so if you need any help just give me a call.

Keep the Wheel's Turning
Virginia Goosey

Dave's report follows on page 3

Membership Report - continued

Dear Olds folks;

I appreciate the confidence the members placed in me by electing me your new Membership Chairman at the Pot-Luck dinner/meeting. It was great food and a lot of fun. Thanks to the Goosey family again. Don't worry, I will be under Virginia's tutelage until I get up to speed.

I have a reasonable goal, I feel. I would like to add at least six or eight new members for '08 but can only succeed with your help. The life blood or any organization is new members.

Remember, you don't have to drive a classic to be a member. If you should be at another car show or some social function be sure to tell (not ask) that Oldsmobile owner and **their spouse**, (she usually makes all the decisions anyway), what a great time we have and would love to have them become members. It amounts to less than 15-cents per day for dues to both local & national.

So when you see a new member, please make it a point to go out of your way to make them feel welcome and introduce yourself with a big hello and handshake! Have you ever wondered why some folks never come back or simply drop out? Just remember how you might have felt at your first meeting. I know how I did.

I also want to start a membership profile and ask each member to send me information about how they acquired their Olds, the year, color and model and any special story they could share. We could then publish it in future Rocket Reviews. If you should have any questions or suggestions/criticisms, please don't hesitate to contact me. Like they say, you meet the nicest folks in an Oldsmobile.
