Heart of America Chapter of the Oldsmobile Club of America

Volume XI, Number 1, Issue 156

Jan-Apr 2009

## President's Message

### In the rearview mirror...

It's 2009 and we have a big calendar planned for the year. I hope the ones that were not able to make it to the calendar planning meeting will enjoy the events. The first one for February was our annual potluck that has turned to our annual BBQ lunch. If you missed it you missed some great BBQ and fellowship with other members.

### In the high beams...

We are planning an event to see a car collection in March. Watch your email and listen for the call tree for more details as they come together.

April 25th is the Spring Dust-off at Broome Cadillac. He will be providing lunch. Bring out your rocket and have some fun with your friends.

Our May event is the cruise night at Johnny Rays in Lee's Summit. Let's have a good turn out and get there early so we can all park together. Check the calendar of events for all the details.

Mark your calendar with all the club events and plan to make as many as you can.

Happy Oldsmobiling!  
Keith

### Club Event – March 21<sup>st</sup>, 1-3 pm

On March 21st, from 1 - 3 pm we will be touring the car collection at Overland Park Chrysler Jeep.

We went to see this collection a few years back and it was excellent. Well, hang on to your hats because it has **over doubled in size!!!** They ask that you park in back so as not to take up sales parking spaces in front. We need a good turnout for this event. If you have friends that are **real car enthusiasts**, feel free to bring them along. He would rather have a lot of people than to open this up for 6 people.

If you have a car for sale, drive it as the owner would be interested in buying it. He will have some snacks and drinks too.

Located at: 8775 Metcalf, OP, KS  
Park in back!

### Spring Dust-Off Fun Show – April 25<sup>th</sup>

For this year's dust-off, we have decided to have fun show, so there will be no judging. We are planning to invite the Cadillac Club and may also invite the Pontiac and/or Buick Clubs. Details are still being worked out, but there should be door prizes and maybe participation awards.

The event will once again be at Broome Cadillac in Independence and Paul Broome will be manning the grill. So get your rides ready and say a little prayer for excellent weather! See you there! Watch for e-mail or the call tree for updates.

## Treasurer's Report

I've put money down at V's Ristorante for the big room for our club's 2009 Christmas party. By the way, the date is December 5<sup>th</sup>, 2009 so mark your calendar.

Treasurer,  
Virginia Goosey

## Corresponding Secretary

I have sent cards to a couple of members so far this year. First, Madelon Kadlic lost her uncle, so I sent her a card. Tom Pavicic had a bad accident in December while on his job. He hit black ice while driving a tanker truck and he rolled over 3 times. They had to cut him out of the truck. He is doing okay, but is still going through therapy. Tom, we sure are glad you are here with us. God bless you. Gary Hartman was under the weather at the time of our BBQ Dinner. I hope everyone is doing well now. As usual, if you know anyone who needs a caring word or support, just let me know and I'll send a card.

By the way, Happy New Year and here are my feelings for the New Year. Choose, this New Year, to start fresh in every way – new habits, new attitude, new view on life, and revel in the joy that will inevitably come your way.

Just for today's thought: "Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it."

– by Lou Holtz

Corresponding Secretary,  
Virginia Goosey

## Membership Report

Your local club dues are coming in later than usual. Remember in the future your club dues are due December 31<sup>st</sup>.

We currently have 33 paid members, so if you haven't sent in your money, now is the time. Last year we had 57 active members.

**If you have not renewed your membership and are on the inactive list, this will be your last issue of *Rocket Review*!**

Membership Chairman  
David Utermoehlen
